

Voices of Europe

EDL anthem 2025

The musical score is written for a single melodic line in treble clef, featuring a key signature of two flats (B-flat and E-flat) and a 3/4 time signature. The melody is composed of eighth and quarter notes, with some triplet markings. The lyrics are aligned with the notes, with some words spanning across bar lines. The overall mood is uplifting and harmonious.

In every heart, a voice is found, a melody that knows no bound.

From mountains high to oceans wide, our words unite, our hearts collide.

Through languages, we learn, we grow, a world of wonders we come to know.

Together we sing, together we strive, a symphony of tongues alive.

Voices of Europe strong and free, a tapestry of unity.

Through every word, a bridge we build, with love and peace, our dreams fulfilled.

Each language holds a story deep, of laughter shared and tears we weep.

From past to future, hand in hand, we celebrate this vibrant land.

Let's cherish all, from old to new, the tones, the rhythms, every hue.

A rainbow's glow, a starry light, a world of voices shining bright.
